COLD RUSH ICE

Stake your claim to the \$4 billion-per-year packaged ice industry!

Cold Rush Ice is an up-and-coming ice vending brand with huge upside and potential.

When you own one or more Cold Rush Ice machines, you will take control of:

- your finances
- your time
- your future.

Learn more about how you can take advantage of this unique opportunity!

COLD RUSH ICE

A HOT OPPORTUNITY

Here are a few of the many reasons to take advantage of the Cold Rush Ice “gold rush” opportunity:

- HUGE DEMAND - consumers purchase more than \$4 billion worth of packaged ice each year.
- 24/7 BUSINESS - consumers can purchase Cold Rush Ice 24 hours a day, seven days a week!
- You own each machine outright – no rents, royalties or residual payments
- Three models to choose from gives you added flexibility for each site.
- Low start-up costs - models begin at less than \$75,000.
- Easy delivery and set up - install time typically 8 hours or less!
- Extensive product warranties - protect your investment for years to come.
- Extensive Corporate support including site selection, delivery and setup, training, and ongoing marketing.
